=====

«Unicorn is too beautiful and harmless to be evil. But catching it is a tricky business, and one should have extraordinary wit-for-it.»
(«Unicorn», Leonardo da Vinci)

Image of **Unicorn** is clothed with mystery: this mythical beast incarnates human origin and final aim of it, it is a symbol of calmness at one given moment and waken mind at next moment. Having incorporated the opposite manifestations of life, it shines in darkness, showing the Path to Man who is wondering through vast territories of life.

> Searching of Oneself is an eternal process, and gained wisdom eases realization of it. Bright light of **Unicorn** threw a light to soul of **Alex**, inspired him to create music about the mysterious beast. The track «Unicorn» is alike a horse ride to overcome distance from sleeping mind to awaken one.

> As the graceful pacer, **Unicorn** is described by a British producer **48K. Richard** has managed to «mount» this playful horse, moreover to breed a talented horse by having taught it unusual way of traveling, amble.

Remix by 48K

«touches» with its mannerism and versatility, extends the comfort zone of the most exquisite Listener.

> Rhythmic trot across the expanses of fantastic wood guarantees **remix by Oleg Zubkov**. With his work this Kazakh musician demonstrates strength and authority of this mythical beast, and pays tribute to the ethereal beauty of the

Unicorn

> Full gallop in performance of Spaniard **Xtorsion** symbolizes end to human nature, as the reincarnation into a higher society with new values and opportunities.

changes?

«... The bird of wonder dies,
the maiden Phoenix,
Her ashes new create another heir,
As great in admiration as herself»
(«The Phoenix and the Turtle», from «Henry VIII» by William Shakespeare)

The legend about the mysterious bird says: **Phoenix** – is a symbol of the mighty Sun, setting in the evening and re-emerging in the morning. In the minds of men even today is kept the belief that the **Phoenix** - is the eternal life of soul after the death of body.

> Researcher of «thin» facets of past knowledge, **Parallax Breakz** paid tribute to **Phoenix** and described its image through music. Spirit of legendary bird has become materially realized in hard, unusual and red glowing track by **Alex**

> «**Phoenix**» in interpretation of British duo **Audiohazard** – is a bird of Life, bringing light and warming up all the surrounding with its fire breathing. In their remix **Michael** and **Ian**

preserved mystical mood of original, at the same time decorated it with their own sounding - «bold» bass-line, storming groove, and charged it with the energy of flame.

> History about fire bird also imbued Spaniard **Blazer**. About the death of **Phoenix**' body cries its soul – remix by **Alberto** illustrates whole life cycle of wonder-bird – it is «burning» breakbeat, breathtaking with its powerful feeding.

> Emerging from ashes presents **Phoenix** Spaniard **HardNoise**. Free flight of soul, reincarnation of bird of Luck **AI** **varo**

described it in inherent to him style – remix is saturated with «thick» bass, acid-sounding, and once more accented mysticism of release.

«**RUNE012BLACK: Parallax Breakz – Unicorn / Phoenix**» - it is the crossroads of the fate of people who seek Enlightenment, a look at the future through the prism of priceless past, this is the main sign of **RUNE** recordings in 2011 year. We thank you for your support, dear Listener, and are glad to our new acquaintance! ;)
