Mark Holbrook aka ALT-A is one of the fresh faces of the Breaks scene and one of the hottest names for 2014. The superb British producer is bringing with him a wealth of musical knowledge, technical experience and fresh innovative sounds. From a young age he learnt to play the piano and guitar as well as studying music theory which evolved into a lifelong passion for music. His first introduction to music production was in 1999 when at the time he was playing Hard House at various clubs across Yorkshire, but unfortunately this was cut short and by 2002 other priorities meant it had to be put on hold. Fast forward 10 years to 2012, long overdue the production spark was rekindled. His first Breaks release was for the Spanish breaks label FUNN DARK RECORDS back in May of 2013 (the single "IT'S LIKE GRAVY.....BABY!") and since then he never looked back. Awesome singles and remixes for labels like SPEKTRA RECORDINGS, MUSIC DARK RECORDS, YEAH MAN RECORDS, BEAT BY BRAIN RECORDS, V.I.M.BREAKS, KINDCRIME RECORDINGS, RAVESTA RECORDS, FANTOMAS RECORDS, BOOTY TRAX RECORDS, EGO SHOT RECORDINGS, SUB ELEMENT RECORDINGS, TOAST & JAM RECORDINGS, MORPHOSIS RECORDS and more, strong support by almost everybody and huge chart success was achieved the last 1,5 years while 2014 was a really productive and successful year for him. ALT-A entered the DIABLO LOCO RECORDS family (as the mighty "El Oldschoolico" luchador) Autumn of 2014 with the mighty "GET A RUSH ON" single which climbed till No14 on BEATPORT Breaks TOP100 chart and followed by the hands-in-the-air anthem "MUST BE THE MUSIC" in December of the same year! Watch out for more Breaks excellence for this fast rising Luchador!!
