

## Alex Clubbers - Listen \*\*OUT NOW ON BANDCAMP!!!\*\*

Posted by toastandjamrecordings - 2024/01/18 19:25

---

Alex Clubbers drops his new track Listen on Toast & Jam. With chunky big beat drums, a helicopter-like ascending LFO effect, and a syncopated synth pad, Listen pulls together all the elements needed for this breakbeat banger. A female vocal loop filters in midway through the first drop and helps lend a dash of soul to round out the track.
