Hi everyone, I hope you haven't missed me too much during my little break! In the unlikely event that you have, then fear not because Hubie Sounds is back on NSB Radio this Tuesday.

As those of you here in the UK are no doubt aware, we're now on the brink of another infamous British summer and yet we can quite easily count the number of sunny days so far this spring on one hand. So I thought it would be a good idea to try and invoke the sun gods and give this spring/summer weather a kick up the backside with a selection of sunny, funky beats and downtempo grooves.

And in the interests of balance I'll also spin my usual selection of late night bangers in the second half of the show too, so there should be plenty of variety for the ravers as well as the groovers.

The Hubie Sounds Springtime Special – Tuesday 28th May @ 9pm BST – live and direct on NSB Radio!
