In Episode 01 of The Toast & Jam-Cast, label founders Scott and Sheldon aka The Gulf Gate Project have put together an hour of the hottest new breaks, all available on Toast & Jam Recordings. Each episode will feature a segment called the Old School Pick Of The Week where listeners can win a free GGP T-shirt by correctly identifying the artist, track title, and remixer of an old school breaks track, so be sure to listen for that. You can submit your answers to the Toast & Jam Facebook or Twitter page, leave a comment on Soundcloud, or email us at info@toastandjamrecordings.com. Thanks for listening and supporting The Gulf Gate Project and Toast & Jam Recordings!
