The 48th Volume of Breaks Of Unknown by Boothe

Boothe or DJ Boothe(boothemusico ltd.) FKA DJ Decibel and Subliminal:

An accomplished DJ, musician, composer and producer spanning over 20 years that has just recently come out of retirement to make a heavy impact on the southeast breaks and trance scenes. Boothe came to the Charlotte area 18 years ago where he fell in love with breaks, after rocking hard trance in clubs in east Georgia, Florida and throughout South Carolina. Boothe started his music history as a piano player at the age of 7, going on to earn a Masters in Music Theory from the University of Tennessee. Boothe cut his teeth as a session guitarist and keyboardist and performed with bands such as Savatage, Spyro Gyro and Pnaked Sity, then going on to perform and produce EDM. Boothe was more widely known about 16 years ago as Subliminal. He has held residencies at numerous venues such as Club Momentum and Banana Joes (Columbia SC), Eleven50, Quartz (Atlanta GA), Bedlam (Pensacola FL), Boomers and Coconuts (Augusta, GA). Boothe prefers to mix high-energy, up-tempo breaks mixed with floor pounding progressive uplifting trance that fuel a dance floor. Seldom will you hear Boothe drop below 132 bpm. Boothe currently works out of his self-outfitted full-service production studio, BootheStudios in the Charlotte, NC area.
