In the studio, Wavewhore is also focusing on genres such as bass house, glitch hop, dubstep and electro and is currently working on several projects which build on his early production work of drum'n'bass and contemporary dub. These additional musical ventures will continue to feature his signature high energy beats and basslines combined with the quality production and impact that have led to Beatport Top 10 chart listings and a global following.

FORTUNE

Apart - Milwaukee, WI

Born and raised in England, Jessica Fenner (Fortune) grew up playing instruments but was hooked on

electronic music during the eruption of rave culture in the late 80s/early 90s. Heavily impacted by acts such as Carl Cox, The Prodigy, Roni Size, The Shamen and KLF, by age 16 she had attended many raves & was involved with a local promotions outfit. In 1993 aged 19, she took an unexpected chance to move to California by herself, and two years later landed in Milwaukee where she has lived ever since.

A fixture in Milwaukee and Chicago music scenes, she finally started djing in 1999. Developing her style to include house, broken beats and techno, the elements she grew up with, she played every venue Milwaukee had to offer, performed in all her neighboring states, and multiple times at Chicago locales, Visions, Zentra, DarkRoom, MoonShine, and The Mid. She plays regularly at the legendary Smart Bar and has played several clubs in San Francisco, including the infamous 222 Hyde and The EndUp. She's had the privilege of being booked as direct support for numerous talented artists, including Audiojack, Colette, Catz & Dogz, Derrick Carter, JT Donaldson, Justin Long, Gaiser, Kaskade, KiNK, Johnny Fiasco, Justin Martin, Derrick May, Mike Dearborn, Jamie Thinnes, Miss Honey Dijon, Pezzner, Kid Sister and Green Velvet.

Since '05 she has run her own promotions company, Apart (formerly For U Events), racking up many dj and promotions achievements, including producing multiple weekly parties non-stop for the last 3 years. You see, Fortune's mission is to facilitate happiness through music. "Since those early family parties music and dance has moved me - a gateway to community, growth and joy. Making that available for others, moments to smile, dance or close ones eyes and discover something... that's what fulfills me."
