

Nubreaks.com at Myspace & Facebook!

Posted by VinylMatt - 2008/01/17 09:53

Greetings and Welcome to the Nubreaks Forums!

Now you can add Nubreaks on Myspace AND Facebook to help spread the lurrrrve!

Just made a DontStayIn group as well so please do add these pages to your groups and share with your friends!

Also:

If anyone knows of any similar social sites (like Myspace, Facebook and DSI) then fire me a Private Message with a linky-poo's :)

Thanks!!
