DP+MOD = 2 EDM freaks who've been in the game for over 12 years now..

our radio program showcases a broad range of breaks/tech/glitch/slamming house(rarely)

Catch our show to hear some of the latest tunes from datapusher and kostek's trans:verse, L3, and viralbreaks lables, as well as, other label affiliates who are kind enough to let us have the dope jams.

Respekt to all. Happy listening. thursdays 7-9 EST
