*** CATCH EPID3MIK-7 ON NUBREAKS RADIO ***

DEVIANTBREAKS SHOW - SATURDAYS (2-4pm PST) (5-7pm EST) (10-12am GMT)

Co-founder of the west-coast based Deviantbreaks.com and a rising player on the Vancouver Breakbeat roster, EPID3MIK-7 (a.k.a Marc Lung), has been infecting the decks with funky bassline driven sets at every event he's played from Whistler to Washington.

Music had always been a major part of Marc's life growing up and taking up interests different instruments as a child, helped him to appreciate the art of music. As years went by he began to open up to all types of music genres. From hip-hop, punk, metal, classical, house, trance, hardhouse nu-nrg, breaks, D&B (the list could go on and on). However his appreciation for the decks wasn't discovered until he started going to live shows watching turntablists at the DMC competitions and DJ headliners at the local club nights. Marc was amazed at how one person behind a pair of turntables could control the collective vibe of the entire crowd to such a great extent by using only the music that the DJ dropped. He was hooked.

In 2007, EPID3MIK-7 joined up with DJ G3N3R4L and formed DeviantBreaks, a DJ and production team who has brought over breakbeat favorites like Baby Anne to Vancouver. Later that same year, EPID3MIK-7 was invited to sign up with Solid Entertainment. He has since then been part of every massive that Solid Entertainment has thrown in venues with a capacity of 5000+ such as the Pacific Coliseum. In 2008, EPID3MIK-7 joined up Virtuoso Productions, spinning Hip-Hop at regular weekly nights all over Vancouver.

Cleverly blending Hip-Hop mashups with Funky and Nu-Skool breaks is a signature trait for EPID3MIK-7 and he'll be sure to make the crowd rip the floor apart.
