Dallas producers Left/Right and Digital Pizza team up again to present Organized, a formidable follow up to their last chart-topping smasher. This time the duo gear up and get their hands dirty with more raucous beats and booming bass. Combining styles from electro, dubstep, soul, and breaks, Organized is a brilliantly cohesive clutter. Dive into the mayhem

late August 27 on Sound Of Habib with remixes by 9b0 and the Hunter Vaughan to follow.

#### REVIEWS:

"Texas' Left/Right always comes with the classy breakbeat flavour, and this collaboration with Digital Pizza is another tight-bottomed funky little banger, with a slight ravey edge thanks to the diva-esque female vocal snatches. Those who like their tunes to do more than just roll will appreciate a track that shifts up regularly as it slides with insouciant cool from one section to the next, never leaving the ears bored."

"Monster bass hook! Will be playing this out a lot."

**-Farace (Kick It Recordings, US)**

"Hot track! Slick as hell guys. You have my full support with this one!"

**-Refracture (Dusted Breaks, UK)**

"Big peak time rockin number boys! Love the trip into dubstep. Keep it up !!"

**-Run Riot (We Are Live Records, UK)**

"Quality well produced intelligent breaks here we'll definitely give these a spin on the radio and in the clubs"

**-George 601 (Rocstar, UK)**

"Nice work! Will defo get some plays outta this one!"

**-Lee Martin (Dusted Breaks Records, UK)**

"I've been playing this one a lot. L/R & DP always come correct and this one only proves it that much more."

**-Ceos (Downbeat Recordings)**

"Holy frijoles -- Left / Right has smashed it again with Organized! Full throttle support from me on NSB Radio, I am looking forward to the crowds' reaction at upcoming gigs around the Bay Area and at Burning Man."
