

More Toast Please!

We're back! Following the rather large Toastclub (which notched up the moneyshot in DJ mag and a glowing review in Mixmag), Splitloop are back with a neatly timed follow up, CRACKHOUSE MUSIC. It's got dirty synths, dirty beats and a bassline filthier than a crackwhore's dirty filthy dirty beautiful mouth.

The remix comes courtesy of Ukraine's VovKing - a glitchy, ADHD edit piece which manages to up the filth factors even more. You'll need a shower and some therapy after this one.

Oh, by the way, it's not Crack House. It's Filthy Breaks... just sayin...

Release date June 30th in all major retailers! GO GET IT!!

AND be sure and catch the Access Granted Show every other Monday 2-4pm EST (7-9pm GMT) with VovKing!!
