THAT NIGHT IN BED when they were still a;wake she said in the dark, 'We don't always have to do the devil things either. Please know that." "I know." "I love it the way we were before and I'm always your girl. Don't ever be lonely. You know that. I'm how you want but I'm how I want too and it isn't as though it wasn't for us both. You don't have to talk. I'm only telling a story to put you to sleep because you're my good lovely husband and my brother too. I love you and when we go to Africa I'll be your African girl too," "Are we going to Africa?" "Aren't we? Don't you remember? That was what it was about today. So v:e could go there or anywhere. Isn't that where we're going' "Why didn't you say it?" "I didn't want to interfere. I .said wherever you wanted. I'd go anywhere. But I thought that was where you wanted." "It's too early to go to Africa now. It's the big rains and afterwards the grass is too high and it's very cold." We could go to bed and keep wann and hear the rain on a tin roof." "No, it's too early. The roads turn to mud and you can't get around and everything is like a swamp and the grass gets so tall you can't see." 'Then where should we go?" 'We can go to Spain but Sevilla is over and so is San Isidro in Madrid and it's early for there too. It's too early for the Basque coast. It's still cold and rainy. It rains everywhere there now." "Isn't there a hot part where we could swim the way we do here?"
